

Worldwide Audit, Tax, & Advisory Support

BIK & CO, LLP is a member of Russell Bedford International's global network of independent accounting firms. This network includes over 200 offices in more than 70 countries in Europe, the Americas, Middle East, Africa, Indian Sub-Continent and Asia-Pacific. Each of these offices are staffed with professional accountants, advisors, and specialists trained with respect to their country's regulations and business climate.

As a member, we bring the ability to support your interests and needs in other parts of the United States and internationally from right here in the Chicago metropolitan area. We provide business support without boundaries through an extensive network of global experts to complement our local expertise. If you need tax expertise, auditing, assistance registering or purchasing a company in a foreign land or have clients with foreign locations and need support meeting their business requirements, we can help.

The world is not as big as it used to be. Technology has enabled more businesses to conduct business internationally. Whether you have an operation in a foreign country or another part of the United States or your clients have begun to conduct international trade, BIK has the expertise to manage your local and remote business compliance and advisory needs.
